**Variation No 1 of the 2010-2011 Funding Agreement**

Dear Dr Steiner

The Commonwealth is pleased to ask you to review the enclosed Deed of Variation. The new total amount of funding for 2010-2011 financial year is \$487,033.80 (GST inclusive) as follows:

Schedule	2010-2011 Total (\$)
Primary Health Care Schedule	\$442,758.00
GST	\$44,275.80
Total Funding	\$487,033.80

This funding is the Commonwealth's contribution to the approved projects for the period 2010-2011 financial year. Please note that the funding, including this Variation remains subject to all terms and conditions as set out in the Funding Agreement.

I am also writing to inform you of changes to the OATSIH 2010-2011 Funding Agreement. In addition to some modification to the clauses in the Funding Agreement, the 2010-2011 schedules to the Agreement have also been structured differently. The new arrangement means Schedules have now been structured around themes that better reflect the various funding streams.

Organisations will only receive the Schedules that relate to the programs they receive funding for and therefore your organisation will receive a Schedule for Primary Health Care (includes Healthy For Life). The changes to the Schedules will not impact on the reporting requirements for Organisations, which will be consistent with the arrangement currently in place.

Attached to this letter is a table that details the changes to the clauses in the Funding Agreement.

If your organisation wishes to agree to the variation, please review the attached Deed of Variation and arrange for **both copies** to be signed and returned to:

Office for Aboriginal & Torres Strait Islander Health,  
GPO Box 9848  
SYDNEY NSW 2001

Delays in returning signed copies of the agreement will delay the release of the funds.

Please note that this variation will not be legally binding on your Organisation or the Commonwealth and will have no contractual force and no legal obligations will arise unless and until the Commonwealth signs the variation and returns a signed copy to you.

If you have any queries, please contact Mr Roger Hunt, on 02 92633800.

Yours sincerely
