APPROVAL OF MEDIA BOOKING AUTHORITY FOR ADVERTISEMENT OF INVITATION TO APPLY FOR HEALTHY FOR LIFE FUNDING ROUND – SOUTH EASTERN NSW

Recommendation:

That you:

- **Approve** the Media Booking Authority for advertisement of the Invitation to Apply for the Healthy for Life Funding Round – South Eastern NSW (Attachment A);

Background

On 6 May 2008 the Office for Aboriginal and Torres Strait Islander Health (OATSIH) received correspondence from the Southern General Practice Network (SGPN) seeking to disband the current *Healthy for Life* partnership arrangements they had with Katungul Aboriginal Corporation Community and Medical Services (Katungul). All attempts at mediation failed and OATSIH sought and received approval from the Minister to disband the partnership between SGPN and Katungul and select a provider through a funding round process.

The approval included suspending the current eligibility criteria which stipulate that organisations applying for *Healthy for Life* funding must be the principal primary health care service for Aboriginal and Torres Strait Islander population in a specific region. This suspension was necessary to allow SGPN to apply through the proposed funding round process. Ministerial approval was provided by N09000555 dated 25 May 2009

This funding round is for the provision of *Healthy for Life* services in the South Eastern region of NSW. This area is defined geographically by the Local Government Areas of Eurobodalla and Bega Valley.
